

Membership Has Its Privileges!

It's time to enjoy playing a golf course that changes every day. We have golf memberships for Sabal Springs Homeowners. Join our Men's or Ladies Golf Associations, make new friends, and play in fun holiday Scrambles, Couples Tournaments, and competitive tournaments, as well. We also have Professional Golf Instruction for people of all ages and ability.

Now is the time to join, whether you're an accomplished player or have simply promised yourself to give it a try some day. That day has come.

In addition to our beautifully maintained golf course, the all Bermuda grass driving range has several target greens, a practice bunker(sandtrap) to enable each golfer to pick a specific target and practice with a purpose. The practice facility is over 300 yards from the rear of the natural grass between the pool and the big lake and a putting green in front of the clubhouse.

BENEFITS OF FULL MEMBERSHIPS

- Unlimited Golf Greens Fees
- Pay **No** Trail fees. Included in Membership price
- Priority 7-day advance tee times
